PARP

Pick A Reading Partner or PARP is a PTA sponsored program created to develop a reading partnership between school and home. Our PARP theme for 2024 is Painting a Masterpiece. During PARP this year, students will be striving to achieve a school wide goal of reading 2,100 chapters/books. As a school we encourage families to read together each night! We have several exciting lessons and activities planned for you to do at home that will promote reading.

Hello Bridgeport Families!

The school counseling curriculum is moving right along and students are learning helpful skills to become successful and kind citizens. I will be going out on maternity leave around early April through the end of the school year. I plan to return for the beginning of the 2024-2025 school year. I will be sure to send out communication to all families about who is covering my position while I am out. As always, should you have any questions or concerns, please call me at 315.687.2280 or email at adiglio@chittenangoschools.org. Thank you for your continued support!
