Greetings from Your Middle School,

We hope that you are having a fantastic summer and that you are looking forward to an exciting new school year. The first day of school is Tuesday, September 3rd and classes begin in the middle school at 7:30 A.M.

As you may be aware, the middle school is undergoing a capital improvement project and will look a little different at the start of school. Please be advised that the main office and nurse's office have been relocated to other areas in the building during this time. We have relocated these offices to places in the building that will hopefully minimize disruptions to our students and families and ensure a smooth process. The timeline for completion of the project is late fall. We will keep you informed as the capital project progresses.

As we look to the beginning of the school year, there are some upcoming dates of importance I would like to highlight. The middle school Curriculum Night for parents of students in all grades will be on Thursday, September 12th, from 5:45 to 8:00 P.M. Our School Picture Day is Wednesday, September 18th.

Throughout the school year, you will be able to access information and events from the district website at www.chittenangoschools.org. There is also a great deal of information in the Student Handbook, which will be sent home during the first week of school for families to review together. Please check the district website for bus routes and times. If you have bussing questions, please contact transportation at 315-687-2870.

We look forward to seeing you soon and having an amazing school year. Enjoy the remaining days of summer vacation.

Sincerely,

Brendon Willey
Principal

Please see below for CMS' updated parent drop-off procedures

- Follow the traffic pattern pictured here when dropping off.
- Students should be dropped off in designated unloading zones = 
- Drop-off will begin at 7:10 am
- Students should not be dropped off before 7:10 am as there will be no supervision and they will not be let into the building.
- Adults wearing reflective vests will be directing traffic and directing students to the sidewalks.
- Students will enter the cafeteria once doors are open.
- Please do not cut through the parking lot or pass cars unloading students.
